

SHANGHAI EVENING FOOD TOUR

This walking tour visits 4 seated eateries while eating over 12 authentic local dishes. Our stops are small, family-run restaurants that prepare their food by hand and serve it fresh, just like they have for generations. The tour ends at a family-friendly local craft beer pub for a drink on us!

1. Soup Dumplings

Watch Shanghai's most famous dish made fresh to order at our favorite dumpling shop.

2. Traditional Shanghai

Try authentic local dishes prepared like they have been for generations.

3. Modern Shanghai

Visit a hip joint and see what locals like to eat in today's Shanghai.

4. Noodles

The noodles here are different from anywhere else, cooked fresh to order the same way they have for decades.

5. Craft Beer

Enjoy a pint of small batch, locally brewed beer.
